- 2.5 If You are more than one person, then all persons are jointly and severally bound by these terms and conditions.
- 2.5A You acknowledge and agree:
- (a) That if You or a signatory appears to be a Proscribed Person, then the Participant may immediately refuse to process or complete any transaction or dealing of Yours; suspend the provision of a product or service to You; refuse to allow or to facilitate any of Your assets held by us to be used or dealt with; refuse to make any asset available to You or to any other Proscribed Person or entity; or terminate these arrangements with You. The Participant will be under no

liability to You if the Participant does any or all of these things. The Participant's rights under this clause are in addition to all other rights which the Participant may have.

- (b) That if the Participant exercises its rights under sub-clause 2.5A(a), You must pay the Participant any damages, losses, costs or expenses that the Participant incurs in relation to any action taken under sub-clause 2.5A(a), including without limitation administrative costs and/or costs of sale or purchase of any transaction or deal put in place for the purposes of meeting the Participant's obligations under these Terms and Conditions.

2.6 You acknowledge that the Participant reserves the right to refuse any application to open a share trading account in the Participant's absolute discretion.

2.7 You acknowledge that the Participant reserves the right to terminate or suspend Your Account at any time without prior notice, acting reasonably in relation to ongoing compliance with a regulatory requirement or law, or where it is necessary to protect the Broker's legitimate interests; or it is reasonable in the circumstances to do so, if, for example, we suspect that:

- (a) Your Account has been accessed fraudulently;
- (b) You are a Proscribed Person;
- (c) You have attempted market manipulation; or
- (d) You have committed fraudulent, illegal or unauthorised dealings on Your Account.

Without limiting our rights under paragraphs (a) to (d), we may terminate or suspend Your access to the Trading Site and the Services for reasons other than the ones mentioned above.

2.8 You agree to enter into a CHESS or Participant Sponsorship Agreement with the Participant.

2.9 You agree to open and maintain a Cash Account (which includes any form of money market account) as approved by the Participant from time to time. You agree that the Participant is irrevocably authorised by You to operate this account (including withdrawal of monies) on Your behalf to meet Your obligations under these terms and conditions.

You acknowledge that Your Cash Account is subject to such fees and charges charged by the bank or the financial institution from time to time.

From 3 June 2023 requests to nominate a Cash account must be an approved Westpac Bank account. Approved Westpac accounts may be subject to change from time to time.

2.9A You agree and acknowledge that all proceeds of Your 'Sell' orders are to be paid into Your Cash Account or other approved bank account nominated and authorised by You in writing from time to time. You irrevocably direct the Participant to deduct from Your

Cash Account from time to time, and to the maximum extent permitted by the Corporations Act, any and all amounts owed by You to the Participant under or in connection with these terms and conditions, including without limitation any amounts due to the Participant in respect of any costs, fees, expenses, taxes or reimbursements.

- 2.9B You agree and acknowledge that upon opening a Westpac integrated bank account as part of any application to access the Trading Site and the Services, any dividends payable to you may be automatically paid into that Westpac integrated bank account. If this automatic payment of dividends applies, you will receive notice as part of the application process. You also acknowledge that you can subsequently elect for any dividends payable to you to be paid into another Cash Account, subject to the Participant's and Westpac Securities' approval.
- 2.10 You agree that the Participant may at any time and in its discretion require You to transfer to a new Cash Account (which includes any form of money market account) nominated or approved by the Participant. You irrevocably authorise the Participant to do everything necessary on Your behalf to arrange and effect the transfer to any new Cash Account. You agree that upon request by the Participant, You will do everything necessary to effect any such transfer. You also agree that the terms of clause 2.9 and the rest of this Agreement will apply to any new Cash Account established. If You do not want to transfer to a new Cash Account or You consider the new Cash Account is not suitable for you, please contact our Customer Relations team on 1300 135 187, who can assist You further.
- 2.11 We do not enter into trades with You on our behalf, except to close out an error position. You acknowledge that:
- (a) The Broker and its related bodies corporate may enter into Transactions in securities and other financial products as "Principal" (as defined in the ASX Rules). Where required by law or pursuant to clause 2.11, the Broker may take the opposite position in such a Transaction with the Customer, acting either for another client or on its own account.
- (b) The Client consents to the Broker and its related bodies entering into such Transactions with the Client. In relation to commission on such Transactions:
- (i) the Broker is entitled to receive commission from both parties, where the Client's Order matches an existing order placed by another client of the Broker; and
- (ii) the Client consents to the Broker charging the Client a commission, where the Client is a wholesale client (as defined by the Corporations Act) and the Client's Order matches an existing order placed by the Broker as a principal trade.

3.0 Security identification.

- 3.1 You will nominate a confidential password, code, Username, phone identification password (collectively, 'Individual Username'), or enable Your fingerprint(s) or face to access applications on Your mobile device,

in order that You may identify Yourself to access the Trading Site or over the phone in order to use the Services.

- 3.2 You and Your authorised representative(s) are solely responsible for the confidentiality and use of Your Individual Username. In addition, You must not allow or cause a fingerprint or facial identification record of another person to be used to permit another person to transact on your account through any mobile device app of Ours.

You will notify the Participant immediately if You become aware of any loss or theft or unauthorised use of Your Individual Username or any part thereof. After such notification, the Participant shall as soon as reasonably possible disable access to Your Account for such Individual Username and shall issue a replacement Individual Username accordingly.

- 3.3 The Participant is entitled to assume that any instruction received containing all or any part of the Individual Username originates from You or the authorised representative to whom the Individual Username is assigned and that such instruction is a valid instruction. The Participant is not obliged to inquire into the validity of any such instruction received.

- 3.4 The Participant deems that the person using an Individual Username or any part of it when giving instructions is the person to whom the Individual Username is assigned.

- 3.5 You undertake not to reveal the Individual Username, and not to allow any unauthorised person to issue instructions on Your Account. You will abide by the following:

- Do not tell anyone Your Individual Username or let anyone find out Your Individual Username – not even family or friends.
- Do not let anyone watch You enter Your Individual Username.
- If Usernames are advised by letter or email, the Participant suggests that they be memorised as soon as the letter is received. The letter should then be destroyed.
- Make a reasonable attempt to disguise the Individual Username in any record – that is, scramble the details in such a way that others will not be able to decode.

The Participant is not liable to reimburse You if an unauthorised transaction occurs on Your account and You or any other user have not made a reasonable attempt to disguise an Individual Username or to prevent unauthorised access to the Individual Username record.

The Participant is also not liable to reimburse You if either:

- (a) an unauthorised transaction occurs on Your Account because You allowed or caused another person's fingerprint or facial identification record to be used to transact on Your Account through the Westpac Share Trading App; or
- (b) You allowed or caused another person to access Your Account through any mobile device app of Ours by the use of Your fingerprint or facial identification record.

For example, the Participant will not consider that a reasonable attempt has been made to disguise an Individual Username if You or any user only:

- recorded the Individual Username in reverse order;
- recorded the Individual Username as a phone number where no other phone numbers are recorded;
- recorded the Individual Username as a number, prefixed by a telephone area code;
- recorded the Individual Username as a series of numbers or words with any of them earmarked, circled or in some way highlighted to indicate the Individual Username;
- recorded the Individual Username disguised as a date (eg 9/6/63) where no other dates are recorded;
- recorded the Individual Username in an easily understood code eg A=1, B=2 etc; and
- self-selected an Individual Username which is an obvious word or number or one that can be found in a purse or wallet or can easily be guessed by someone else (such as a date of birth, middle name, family member's name or driver's licence number).

4.0 Your representations and warranties.

4.1 You warrant that all information provided by You on Your application to open a share trading account with the Participant, or such other information provided by You from time to time, is accurate and complete, and that the Participant may rely on the information provided by You. You will notify the Participant in writing within five Business Days of any change in the information provided by You.

The Participant shall update such information on the Participant's records as soon as reasonably possible.

4.2 You acknowledge that:

- (a) The Participant provides an execution, clearing and settlement service only and does not give any advice or recommendation in relation to Your dealings.
- (b) The Participant does not act on a discretionary basis on Your behalf.
- (c) You rely on Your own judgement, assessment or evaluation in view of Your financial situation, investment objectives and particular needs before placing any order with the Participant to buy or sell any financial product or giving any other instruction.

4.3 If You are a trustee or an agent, You are bound by these terms and conditions as a trustee or an agent, and personally. You must act in accordance with the trust deed, if one exists. If You are a corporation, the directors are also bound by these terms and conditions.

4.4 You warrant that You have the power and the authority to agree to these terms and conditions, and to carry out Your obligations under them. If You are a corporation, You warrant that You hold a valid ACN, ABN or ARBN.

4.5 You warrant that You are and at all times will be in a position to meet all the commitments and obligations arising from Your dealings with the Participant.

5.0 Instructions.

5.1 We will act only within the parameters of Your instructions in accordance with our Best Execution Policy.

5.2 The Participant reserves the right to decline to act on Your behalf or accept Your instructions without giving any reason or explanation or prior notice, for example:

- (a) unless You have deposited in advance with the Participant sufficient cleared funds in Australian currency to cover the full value and costs of any 'Buy' orders and when such funds are through a foreign financial institution, by way of telegraphic transfer only;
- (b) where the original instruction is more than 20 business days old;
- (c) for warrants and day only orders, on and from the following Business Day from the day the order or instruction was placed;
- (d) for orders involving settlement through a margin lender, if accepted, where the original instruction is more than 90 calendar days old and is not reconfirmed at that time;
- (e) where the security or other investment medium has been subject to a trading halt and You have not reconfirmed Your instruction after the halt has been lifted;
- (f) where Your instructions are believed by the Participant to be unclear, ambiguous or incomplete;
- (g) where in the opinion of the Participant, Your instructions breach or may breach any law or statutory or other regulatory requirements, including without limitation any rules or regulations of the Market Operator;
- (h) where the basis of the quotation for the security has changed and the order has not been reconfirmed;
- (i) where the Market Operator has purged the order from its trading system;
- (j) where the Participant believes the transaction would result in no change of beneficial ownership; or
- (k) where the Participant believes the transaction would have the effect, or is likely to have the effect, of creating a false or misleading appearance of active trading in any securities or with respect to the market for, or the price of, any securities.

5.2A Sell orders may not be accepted if:

- (a) there are insufficient units available for settlement in Your Participant Sponsored Holdings sponsored by us; or
- (b) there are insufficient units available for settlement in an Issuer Sponsored Holding quoted by You; or
- (c) an invalid Shareholder Reference Number ('SRN') for Issuer Sponsored stock is supplied; or
- (d) more than one valid SRN for Issuer Sponsored stock is supplied; or
- (e) if stock is Participant Sponsored by a broker other than us.

- 5.3 You authorise the Participant to accept instructions on Your behalf from Your authorised representative(s) and You confirm that Your authorised representative has the power to do the following in Your name and on Your behalf from time to time.
- (a) to give instructions to the Participant relating to Your Account;
 - (b) to acquire, buy, deal with and dispose of any financial product;
 - (c) to pay or receive payment for any financial product transactions and related expenses and to give good receipt and discharge for the financial product, proceeds and other monies;
 - (d) to execute all necessary or proper contracts and other documents for the custody, dealing and transfer of financial product and related matters; and
 - (e) to exercise all rights and privileges and perform all duties and obligations which may now or in future apply to You as a holder of financial product.
- 5.4 You agree to ratify and confirm all actions carried out by the Participant on the instructions of Your authorised representative(s).
- 5.5 When You are more than one person, the Participant may accept instructions from one or more of You on behalf of all of You.
- 5.6 You are responsible for fraudulent, illegal or unauthorised dealings on Your Account which are attributable to Your conduct, and You release and discharge us from liability in this regard.
- 5.7 The Participant has the right to request written confirmation of instructions before acting on any instructions from You or Your authorised representative(s).
- 5.8 The Participant may assume the authenticity of any instructions given or purportedly given orally, in writing or by electronic means (including any electronic instructions which include all or any part of Your Username) by You or Your authorised representative(s), or that any person claiming to be Your authorised representative is in fact that person. The Participant is not obliged to enquire into any of the matters mentioned in this condition and You authorise the Participant to act upon such instructions believed by the Participant to be authentic.
- 5.9 The Participant will use its best endeavours to execute Your instructions or orders accepted by the Participant, but the Participant will not guarantee that Your instructions will be wholly or partially executed or will be executed by a certain time.
- 5.9A The Participant will not be responsible for any loss or liability incurred by You where the Participant does not receive Your instructions or where any dealing or proposed dealing is interrupted, unable to be completed or unable to take place due to the failure or delay of any telephone, computer, other electronic or technological service provided by us or third parties.
- 5.9B The Participant will not be responsible for any loss or liability incurred by You where the Participant is unable to receive or act on Your instructions due to circumstances beyond our reasonable control, e.g. riot or civil disturbance.
- 5.9C If You purchase on-market a holding of rights for a security that is traded separately to the security, You acknowledge that we may automatically exercise those rights on Your behalf unless You tell us not to exercise them.
- 5.9D If You purchase rights, the confirmation we send You will request payment of the cost of the rights purchased together with the application money. If You don't intend to exercise Your rights, You must tell us before settlement day. If You elect to not exercise Your rights and have paid us the application money, You must tell us at least five (5) Business Days prior to expiry and we'll credit Your account with the exercise amount.
- If You fail to advise us, we will proceed to exercise Your rights and You will be issued with the relevant shares. We can only exercise Your rights where You have provided us with sufficient cleared funds.
- 5.10 You acknowledge that Your orders may be purged from the market subject to the rules, procedures, customs, usages and practices of the Market Operator without notice to You. You further acknowledge that the Participant is not obliged to notify You of any orders which are purged from the market, although the Participant will make all reasonable endeavours to notify You of such. The Participant is not liable if You do not receive notification in this regard. An order that is cancelled or purged by the Market Operator will not be reinstated by the Participant without instructions from You.
- 5.11 You authorise and appoint the Participant, each of its directors and each of its employees as Your attorney to enter into any contract or agreement with another party on Your behalf upon receiving Your instructions (such instructions may be given by You electronically and accepted by the Participant in accordance with clause 5.9) to do so. You acknowledge that all liability for such contracts is Yours alone. You will indemnify the Participant against all loss, expense or any other liability in relation to such contracts or agreements. If you do not wish to have the Participant act as Your appointed attorney, please contact our Customer Relations team on 1300 135 187 to discuss your options, as we may not be able to continue to provide services to you.
- 5.12 You authorise the Participant to record any telephone and written communications between Yourself, Your authorised representatives and the Participant, with or without an audible tone-warning device. You acknowledge that any recording or written communication is the Participant's property and that the Participant reserves the right to charge You a cost recovery fee for access to a communication. You shall record all relevant details of any conversation You have with us, including the name of the operator and the date and time of the communication, and You acknowledge that the Participant will ask You for this information when You seek access to a communication. If you do not wish to have Your call recorded, please advise our customer service representative who will discuss alternative communication options with You.
- 5.13 In case of dispute, the Participant's records of electronic or telephone communications or facsimile transmission shall be conclusive evidence of the details of the communications by email, Internet,

- telephone or facsimile (as the case may be) between You and the Participant.
- 5.14 If You request the Participant to provide You with electronic alerts ('Alerts'), You agree to be bound by the Terms and Conditions for Subscriptions, Packages and Alerts, which can be found on the share trading website.
- 5.15 The fees and charges applicable to Your account can be located in the Participant's Financial Services Guide or on the Trading Site.
- 5.16 Where You have a margin lending account, You acknowledge that You are liable for:
- (i) all settlement obligations irrespective of whether Your margin lender is able to deliver sufficient securities or funds to satisfy Your obligations;
 - (ii) any over-sold positions on Your account; and
 - (iii) payment of monies owing on Your account irrespective of whether the margin lender will advance You those monies.
- 5.17 You acknowledge that the Participant is not responsible for missed market opportunities during the time it takes the Participant to follow its internal procedures, or the procedures of share registries or product issuers, for example, processing corporate actions including but not limited to buy backs or share purchase plans, opening accounts, transferring Participant Sponsored Holdings, or Issuer Sponsored Holdings confirming Your identity.
- 5.18 (a) You acknowledge that the Participant will make all reasonable attempts to enter Your instructions to buy or sell securities as quickly as possible. If requested by You, we will, if required under the Market Integrity Rules, give You a statement of all the individual prices of the relevant transactions which are accumulated and averaged in a confirmation. However, should delays be experienced:
- (i) in connection with the number of Participants or persons attempting to participate in the market at a point in time;
 - (ii) due to verification or authorisation processes; or
 - (iii) due to delays resulting from call waiting time or adherence to internal procedures,
- the Participant will not be liable for any claims for lost opportunity.
- (b) You acknowledge that the Participant will make all reasonable attempts to effect any instructions to cancel or amend orders as quickly as possible. However, should an order be filled prior to a cancellation or amendment instruction being effected, You will be obliged to accept the transaction(s) on the original terms. While all reasonable attempts will be made to inform You when the order is filled prior to an amendment or cancellation instruction being effected, the Participant is not obliged to do so.
- (c) You acknowledge and accept that there may be delays in processing between the time an amendment or cancellation instruction is dealt with by us and the time the amendment or cancellation is effected on-market. In the event an order is filled between the time it has been 'approved' by the Participant and the time the Participant effects the instruction on-market, You will be obliged to accept the transaction on the original terms.
- (d) If You are uncertain as to whether Your order has been received, You will make all reasonable attempts to verify whether the order has been received, approved and effected prior to taking any further action. You agree to issue specific cancellation or amendment instructions with respect to an existing order and not to attempt to effect such changes by placing a second or duplicate order. You will be solely responsible and liable for any duplicate instruction that You place.
- (e) You acknowledge that the Participant is not liable to You for any loss You incur under a share purchase plan due to a seller or buyer or their broker failing to complete a transaction in accordance with the rules or procedures of the market, the clearing facility or the settlement facility.
- (f) If You purchase on-market a holding of rights for a security that is traded separately to the security, You acknowledge that the Participant automatically exercises those rights on Your behalf unless You tell the Participant not to exercise them.
- (g) In the course of processing a sell order for a security, the Participant may remove Your holding of the security from the register before the due date for settlement under the Market Operating Rules.
- (h) If, in its reasonable opinion, the Participant believes there is a dispute between You and the Participant about an order or instruction You have given the Participant, for example, the number of shares You have asked the Participant to buy, or the bid price for shares, the Participant may take, without prior notice to You, any action which in its reasonable opinion the Participant considers necessary to close any open position the subject of the dispute, for example, by selling shares.
- (i) You acknowledge that, due to market conditions, the Participant may complete Your order by multiple market transactions, across multiple markets in accordance with our Best Execution Policy and You authorise the Participant to accumulate those transactions on a single confirmation and specify the volume weighted average price for those market transactions.
- 5.19 You acknowledge and agree that we are entitled to cancel or reverse a dealing or order without further reference to You where the Market Operator has recommended or required cancellation or reversal for market integrity reasons, or where the market was operating under an error, or where the cancellation or reversal is permitted under the Market Operating Rules.
- 5.20 You acknowledge and agree that all orders must be submitted either 'At Market' or 'At Limit'. 'At Market' orders cannot be accepted outside of market hours or when trading in a particular stock is halted/suspended.
- 5.21 You acknowledge and agree that a 'market' order is an order placed at either the best bid price when selling

shares or at the best ask price when buying shares. If there is insufficient volume to fill Your order quantity, then the remaining portion will remain on the market at this price as a limit order. When placing market orders, You need to be aware that some stocks can be volatile, and the current quote that You see may be different from the price at which Your order transacts.

- 5.22 You acknowledge and agree that an 'At Limit' order will not be accepted, without any advice to You, if we consider the limit price to be too far away from the prevailing market price of that stock.
- 5.23 You acknowledge and agree that all Orders can be amended or cancelled provided the order has not already been executed.
- 5.24 You agree that the Participant is authorised to transfer any security of yours held on the CHESS sub-register to the register or registers maintained by the Issuers of those securities (i.e. transfer your holding from Participant Sponsored to Issuer Sponsored). You agree that the Participant may do so at its sole discretion. The Participant will provide you with Notice before doing so or as soon as reasonably possible after doing so.

6.0 Straight-through processing.

- 6.1 The Participant has provided You with access to STP.
- 6.2 You acknowledge the following in relation to Your access to STP:
- (a) any orders placed by You using STP will need to meet filters set by the Participant from time to time. The Participant may amend its filters from time to time without notification. The Participant is not required to inform You what the filters are;
 - (b) that it is possible for an order placed by You to be matched with another order also placed by the Participant. This 'crossing' may be with an order by another client of the Participant. The Participant may as a result receive brokerage from both clients;
 - (c) that STP is only available on 'limit' orders for securities with a normal status (i.e. not suspended or in a trading halt);
 - (d) 'At Market' orders can only be accepted during market hours (10am–4pm (Sydney time)), in securities with a normal status (i.e. not suspended or in a trading halt). STP is available on market orders;
 - (e) If Your order does not pass the filters, then it will be referred to a Designated Trading Representative (DTR) for evaluation. In some cases the DTR has the authority not to place the order on-market until You become contactable to confirm the order.
The Participant is not liable for any delays in placing Your order as a result or for Your order not being placed at all; and that the Market Operator's trading platform operating schedule defines the various phases and at what time they happen.

You are aware that an important point is the opening phase, in which the market opening times are staggered depending on the starting letter of the ASX code.

6.3 You acknowledge that the Participant, as trading Participant, must ensure the conduct of an orderly market and prevent manipulative trading, including insider trading, false trading, market rigging and suspect transactions. Therefore, in utilising STP You should realise that an order may be scrutinised by both the filters and a DTR.

6.4 You acknowledge that the Participant is required to prevent a bid, offer or dealing if any client intends to create, or taking into account the circumstances of the order, the Participant reasonably suspects that the client has placed the order with the intention of creating a false or misleading appearance of active trading in any financial product or with respect to the market for, or the price of, any financial product, or market rigging or manipulation or suspect transactions.

You acknowledge and agree that the Participant reserves the right to decline to act on Your behalf or accept Your instructions or process any orders placed through STP where, in the opinion of the Participant, Your instructions breach or may breach any law or statutory or other regulatory requirements (including without limitation any rules or regulations of the Market Operator).

6.5 The Participant reserves the right to terminate Your access to STP at any time in the Participant's discretion, acting reasonably in relation to ongoing compliance with a regulatory requirement or law; or where it is necessary to protect the Broker's interests; or it is reasonable in the circumstances to do so. If, for example, Your Account has had frequent failed settlements, or we suspect that:

- (a) Your Account has been accessed fraudulently;
- (b) You are a Proscribed Person;
- (c) You have attempted market manipulation; or
- (d) You have committed fraudulent, illegal or unauthorised dealings on Your Account.

Without limiting our rights under paragraphs (a) to (d), we may terminate or suspend Your access to the Trading Site and the Services for reasons other than the ones mentioned above.

7.0 Payments and indemnity.

- 7.1 You will pay the Participant brokerage fees and charges as specified by the Participant from time to time; and reimburse the Participant for any fees, taxes, consumption or value-added tax, stamp duty, domestic and foreign taxes (if applicable) or any other charges levied in relation to each transaction. The Participant reserves the right to vary such fees and charges, and method of charging, at any time and without prior notice, acting reasonably in relation to ongoing compliance with a regulatory requirement or law; or where it is necessary to protect the Broker's interests; or it is reasonable in the circumstances to do so.
- 7.1A If You subscribe to a service for which we charge fees in arrears, we will charge the fee on a monthly basis. We will debit Your account at the end of each calendar month. The first month will be the period from the date when You subscribe to the end of the calendar month.

- 7.2 If the goods and services tax (GST) has application to any supply made by the Participant under or in connection with Your Account with the Participant under these terms and conditions, the Participant will, in addition to any amount or consideration payable under these terms and conditions, recover from You an additional amount on account of the applicable GST.
- 7.3 You agree that the Participant may receive commissions from the issuers of financial products or from any other party arising from Your use of Your Account and the Participant is not obliged to rebate these commissions to You. If You have been referred to the Participant by a Referrer for the Participant to provide You with trading, settlement, clearing or other services, the Participant may pass up to 100% of those commissions to the Referrer to the extent permitted by law.
- 7.4 You agree that the Participant may pay commissions on brokerage, and other fees and charges received by the Participant from You based on trades entered into by You to the extent permitted by law.
- 7.5 You acknowledge that Your order may be matched with an order or orders of another client of the Participant. If this occurs, You agree that the Participant may receive brokerage from both parties to the trade.
- 7.6 You irrevocably authorise the Participant to appropriate any payments, remittances or receipts from You or for Your Account in such manner and order of priority as the Participant deems fit against any amounts owing by You to the Participant or a related entity of the Participant.
- 7.7 You will indemnify the Participant, its directors and its employees against all actions, claims, demands and proceedings, expenses and losses (including legal costs on a solicitor and client basis) reasonably incurred, directly or indirectly by the Participant as a result of undertaking or executing Your instructions or orders or any failure by You to comply with this Agreement, the Corporations Act, the ASIC Market Integrity Rules, the Market Operating Rules, the ASX Settlement Operating Rules, and the customs, procedures, usages or practices of the ASX, or Your use of Your Account with the Participant (except to the extent resulting from or caused by Participant fraud, wilful misconduct, dishonest and negligence).
- 7.8 Any expenses, costs or disbursements reasonably incurred by the Participant in recovering any outstanding monies from You, including debt collection agency fees and solicitors costs, shall be paid by You. You indemnify the Participant in respect of all such expenses, costs or disbursements.
- 7.9 The Participant is entitled to retain any financial product or amounts due to You pending payment of any amounts due to the Participant and to set off amounts due to the Participant against amounts that the Participant holds for You in any account. If You fail to make payment to the Participant, the Participant has a general lien over and power to sell or realise any financial product the Participant holds for You. Where you are acting in the capacity of a trustee of a superannuation fund, this clause only applies to the extent it does not cause you to breach Regulation 13.14 of Superannuation Industry (Supervision) Regulations 1994.
- 7.10 If the Participant approves a Trading Limit to be applied to You or Your Account, You must ensure You have sufficient cleared funds in Your Cash Account at the time of the transaction to settle Your obligations to the Participant or a related party of the Participant.
- 7.11 You agree that where You have chosen direct debit as Your settlement method, and where buys and sells have the same or different settlement dates, the Participant may offset buys and sells over the same or different days of the settlement period.
- 7.12 You agree that where You have chosen BPAY® as Your settlement method and where buys and sells have the same settlement date, the Participant will offset the respective amounts on settlement date.
- ## 8.0 Foreign Ownership Restricted Security.
- A Foreign Ownership Restricted Security is a security listed as a "FOR Financial Product" in Schedule 1 to the ASX Settlement Operating Rules. Foreign Ownership Restricted Securities have conditions, specified by the Issuer, in relation to whether foreign investors are permitted to hold the issuing company's securities or place limits on the level of foreign ownership permitted in the company. Each Issuer can specify its own definitions of a foreign investor, and those designated as a foreign investor are identified by their residency status being set as either FOREIGN or DOMESTIC on their CHES Holder record (HIN) (**Residency Indicator**). Residency Indicators are stated on HIN documentation provided by CHES.
- You acknowledge:
- 8.1 That should you:
- (a) acquire a holding in a Foreign Ownership Restricted Security, or
 - (b) hold a Foreign Ownership Restricted Security and update your address to an address in a foreign country or from an address in a foreign country to an Australian address, the Participant will assess, on a best endeavours basis, whether your Residency Indicator is appropriate for the Foreign Ownership Restricted Security. When assessing the appropriateness of your Residency Indicator, the Participant will not always have access to all the necessary and relevant information, relating to your personal circumstances, to make a determination based on the Issuer's definition of foreign residency.
- 8.2 If it is determined by the Participant that a Residency Indicator may not be appropriate, the Participant will attempt to contact you to confirm whether our assessment is correct, and to advise you what options are available for you to maintain an appropriate Residency Indicator, prior to taking any action that the Participant deems appropriate. There are a number of actions that may be required to ensure an accurate Residency Indicator for a Foreign Ownership Restricted Security. These include:
- (a) updating the Residency Indicator on your HIN; or
 - (b) where updating the Residency Indicator is not possible, because you hold other Foreign Ownership Restricted Securities with relevantly different Issuer criteria, transfer the impacted Foreign Ownership Restricted security to:
 - (i) an alternative account that has a HIN with the correct Residency Indicator if applicable, or

- (ii) an alternative account and HIN with the appropriate Residency Indicator that the Participant establishes for you; or
 - (c) transfer the impacted Foreign Ownership Restricted Security from your Participant Sponsored Holding to an Issuer Sponsored Holding.
- 8.3 the Participant will perform actions relating to amending your Residency Indicator based on your direction. In the event that:
- (a) we are unable to contact you; or
 - (b) you are unable to or decline to provide direction to our satisfaction; or
 - (c) you provide a direction which conflicts with the personal information you have provided to us, the Participant may transfer your Foreign Ownership Restricted Security from Participant Sponsored to Issuer Sponsored. The Participant will provide you with Notice before doing so or as soon as reasonably possible after doing so.

9.0 Failure to settle.

- 9.1 If You have authorised the Participant to direct debit Your Cash Account, the transfer of cleared funds will occur on the day of settlement of the transaction. If the direct debit fails for any reason, You will be required to remit cleared funds via BPAY®.
- 9.2 If You have not authorised the Participant to direct debit Your Cash Account, You will be required to have cleared funds available prior to a transaction being allowed to proceed.
- 9.3 If You fail to settle by settlement date for any transaction arising from Your instructions, You agree to pay to the Participant on demand interest on any outstanding amount arising from the failure at a rate equal to 5% above the Westpac Banking Corporation Overdraft Index rate calculated daily from the due date to the date of payment.
- You also agree to pay any fail fees arising from the failure to settle.
- 9.4 If, by the settlement date, You have not made full payments for Your purchases or good delivery for Your sales, and a demand for payment has been made, then You authorise the Participant to sell or buy back on Your behalf at Your risk and expense (including without limitation, brokerage, stamp duty and other costs) any financial product that is the subject of the confirmation or any financial product outstanding in Your Account or any of Your financial products in the Participant's control or possession and apply the proceeds in reduction of Your liability to the Participant and You irrevocably authorise the Participant, each of its directors and each of its employees as Your attorney to give instructions accordingly.

- 9.6 If You fail to settle any transactions by the settlement date, any Trading Limit that may apply to You or Your

Account may be downgraded or removed at the discretion of the Participant.

11.0 Liability.

- 11.1 You acknowledge that the systems used in the market or at the Participant are vulnerable to disruptions or failure, which may result in Your order not being executed or delayed according to Your instructions. You release the Participant from any loss, damage or liability that You may suffer or incur by reason of or in connection with any such disruption or failure.
- 11.2 To the maximum extent permitted by law, You acknowledge that the Participant will not be liable to You or anyone else for any loss or damage, whether direct or indirect, special, incidental, consequential or economic (including loss of profits), whether or not the Participant knew or could have known of the possibility of such damage, where that damage arises from:
 - (a) delay, interruption, omission, failure, error or fault in the execution of Your instructions;

 - (e) any cause beyond the reasonable control of the Participant, including, but not limited to, failure of electronic or mechanical equipment or communication lines, unauthorised access or labour problems.
- 11.3 Nothing in sub-clauses 10.1, 10.2 and 10.4 shall exclude any implied condition or warranty for Your benefit the exclusion of which would contravene any statute or cause any part of these terms and conditions to be void or invalid.
- 11.4 To the maximum extent that liability can be limited, You agree that the Participant's liability is limited to the cost of resupplying its services.
- 11.5 There are two different compensation arrangements that may provide protection for retail investors trading on Cboe: NGF Arrangements or Division 3 Arrangements. This is because on 26 October 2020, Cboe became a member of the SEGC, which operates the National Guarantee Fund (NGF).

When do the NGF Arrangements apply?

From 26 October 2020, the National Guarantee Fund (NGF) may apply in the circumstances set out in Division 4 of Part 7.5 of the *Corporations Act 2001* and *Corporations Regulation 2001*. Transitional arrangements apply and these are set out on the SEGC's website at www.segc.com.au. For further information on the National Guarantee Fund and what it covers, please contact SEGC, see the SEGC website and refer to Division 4 of Part 7.5 of the *Corporations Regulations 2001* (Cth).

When do the Division 3 Compensation Arrangements apply?

Where a retail investor suffers a loss in respect of conduct, a transaction or insolvency that occurred before 26 October 2020, that loss may be covered by the Division 3 compensation arrangements. Section 11 of the Cboe Operating Rules outlines the Division 3 compensation arrangements, including the cessation of the arrangements on 25 October 2027 and the requirement, while the arrangements are in place, to make a claim no later than six months after becoming aware of the loss to which the claim relates. Section 11 also outlines that the losses covered by Division 3 are those resulting from defalcation or fraudulent misuse of your money, property or authority by a Cboe participant.

12.0 Variation and termination.

- 12.1 You may terminate Your Account by giving not less than five Business Days written notice to the Participant, subject to all outstanding obligations being duly discharged.
- 12.2 If You use a Westpac Cash Investment Account for settlement of securities and payment for services and You chose to terminate Your Account in accordance with clause 11.1, You agree to close Your Westpac Cash Investment Account prior to terminating Your Account.
- 12.3 You acknowledge that if You cease to use either Westpac Cash Investment Account or a Westpac DIY Super Working Account for the settlement of securities or payment for Services, the discounted brokerage rate as specified by the Participant from time to time will no longer apply to Your Account.
- 12.4 The Participant may terminate Your Account at any time and without prior notice, acting reasonably in relation to ongoing compliance with a regulatory requirement or law; or where it is necessary to protect the Broker's interests; or it is reasonable in the circumstances to do so, subject to all outstanding obligations being fully discharged.
- 12.5 The Participant reserves the right to vary these terms and conditions and the services to which they relate to:
 - (a) add, change or remove any concessions or benefits;
 - (b) adopt or implement any legal requirement, decision, recommendation, regulatory guidance or standard of any court, tribunal, or ombudsman service regulator;
 - (c) accommodate changes in the needs or requirements of our clients, such as new product features or services;

- (e) bring us into line with our competitors, industry or market practice or best practice in Australia or overseas; or
- (f) reflect changes in technology or our processes including our computer systems.

Each of the changes in paragraphs (a) to (f) is a separate right and this clause is to be read as if such change was a separately expressed right.

Without limiting our rights under paragraphs (a) to (f), we may from time to time change any of the terms and conditions for reasons other than the ones mentioned above (e.g. due to unforeseen events), acting reasonably in relation to ongoing compliance with a regulatory requirement or law; or where it is necessary to protect the Broker's interests; or it is reasonable in the circumstances to do so.

Any such variation shall apply to all dealings between You and the Participant on and from the day on which the variation takes effect.

If the Participant varies these terms, conditions and/or services, the Participant will give not less than seven (7) days' notice to You at the postal or electronic address last notified to the Participant by You, or at the Participant's website.

Also, the Participant may use our IVR facility to notify You of amendment(s), and provide information about where You can access full details of the amendment(s).

- 12.6 However, the Participant does not need to give You advance notice where any variation of these terms and conditions is required to comply with a prescribed requirement or is necessitated by an immediate need to restore or maintain the security of the system or individual accounts.
- 12.7 You may by notice request that we novate these Conditions, including any conditions for other services which we provide to You ('these Conditions') to another Service Provider ('New Company') and these Conditions will be taken to have been novated to the New Company and will be binding on all parties as if, on the date specified in the notice:
 - (a) the New Company is a party to these Conditions in substitution for us;
 - (b) any of our rights are transferred to the New Company; and
 - (c) You release us from any obligations arising on or after the date specified in the notice.
- 12.8 We will act in relation to any lawful direction given by You to us to transfer to the New Company (or such other place You direct) any money or property we hold on Your behalf.

13.0 Notice.

- 13.1 Any notice given, or demand made, by the Participant may be made by facsimile, by post or by email to the last notified address, facsimile number or email address as the case may be. Such notice or demand shall be deemed to have been received:
 - (a) if given by post, will be deemed to have been received on the third Business Day following posting;

- (b) if given by facsimile, will be deemed to have been received upon production of a transmission report by the machine from which the facsimile was sent which indicates that the facsimile was sent in its entirety to the facsimile number of the recipient;
- (c) when sent by email, one hour after the Participant sends it; and
- (d) if given to us by email, will be deemed to have been received upon being opened by us.

13.2 The Participant at its discretion may send any confirmation in relation to any transaction on Your behalf by:

- (i) pre-paid post to Your last notified address. Such confirmation shall be deemed to have been received on the Business Day following posting; or
- (ii) email, facsimile transmission or electronic data interchange (including over the World Wide Web) to Your last notified email address or facsimile number when such address or number is provided by You. You acknowledge that You consent to receiving Your confirmations by such electronic communication.

You further acknowledge that the conditions set out in Part 3.4 of the ASIC Market Integrity Rules apply to such confirmations. Any confirmation sent to You by such electronic communication shall be deemed to be received on the day it was sent.

14.0 Applicable law.

- 14.1 This Agreement is subject to the laws of the State of New South Wales, and the parties agree to submit to the non-exclusive jurisdiction of the courts of New South Wales, but the Participant may commence proceedings in another competent jurisdiction.

15.0 Guarantee and indemnity.

- 15.1 If You are a body corporate, You acknowledge that we reserve the right to request a guarantee from all or any one of Your directors in such form as we may reasonably require relating to Your obligations under these arrangements.

16.0 Anti-Money Laundering and Counter-Terrorism Financing Act 2006.

- 16.1 The Participant and the Referrer (in this clause 16.0, 'we', 'us' or 'our') are bound by laws relating to the prevention of money laundering and the financing of terrorism, including the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* and the Anti-Money Laundering and Counter-Terrorism Financing Rules Instruments (AML/CTF laws) and have adopted an AML/CTF program in accordance with the requirements of the AML/CTF laws and the various guidelines and publications produced by the Australian Transaction Reports and Analysis Centre (the AML/CTF Programs).
- 16.2 You cannot open a share trading account unless You have provided sufficient identification and that identification has been verified in accordance with the AML/CTF Program and AML/CTF laws.

- 16.3 By opening and using a share trading account, You agree that:
- (a) You do not acquire the Service under an assumed name;
 - (b) any products or services provided, subject to these terms and conditions, will not be used in relation to any criminal activities or any activities which breach laws or sanctions;
 - (c) if we ask, You will provide us with additional information we reasonably require for the purposes of AML/CTF laws;
 - (d) we may obtain information about You from third parties if we believe this is necessary to comply with AML/CTF laws;
 - (e) we may disclose information which they hold about You or Your conduct to our related bodies corporate;

 - (g) we may disclose information that we hold about You or Your conduct to our service providers, relevant regulators of AML/CTF laws, or other parties (whether in or outside of Australia), including us and our related bodies corporate, and if we do so we may be obliged under AML/CTF laws not to inform You of this; and
 - (h) we are not liable for any loss, claim, liability or expense You suffer or incur (including consequential loss) as a result of us taking any action referred to above and You indemnify us for any loss, claim, liability or expense we may suffer or incur (including consequential loss) from exercising any right under this clause or from any breach by You of Your agreement in this clause.

17.0 Complaints.

- 17.1 If You are not satisfied with the service or advice You receive from us, You are entitled to complain. We have established procedures to ensure all enquiries and complaints are dealt with. For more details about our complaints process and the relevant internal and external parties you can contact to assist You further, please see our Financial Services Guide under the section 'Complaints'.

18.0 Severance.

- 18.1 If any part of any of these Terms and Conditions is found to be void or unenforceable for unfairness or any other reason (for example, if a court or other tribunal or authority declares it so), the remaining parts of these terms and conditions will continue to apply as if the void or unenforceable part had never existed.

Terms and Conditions of Conditional Trading

These terms and conditions apply to Your share trading account with the Participant in relation to the provision of the Conditional Orders facility.

1. We accept, administer and implement a Conditional Order Instruction, or a variation or cancellation of a Conditional Order Instruction, in accordance with these terms and conditions.
2. You agree to be bound by these terms and conditions.

Definitions.

3. Terms which are defined in clause 1.0 of the Terms and Conditions of Online Access have the same meaning in these terms and conditions.

Terms which are defined in the ASX Settlement Operating Rules have the same meaning in these terms and conditions.

Placing a Conditional Order Instruction.

4. We are not obliged to accept a Conditional Order Instruction, for example, if there is market volatility, the security is too thinly traded, or the price for the Limit is too far from the price at which the security is currently traded .
5. We do not accept 'at market' as a price for the Limit.
6. We accept a Trigger only if it relates specifically to the same security for which the Conditional Order Instruction is being placed. We do not accept the price of another stock as a Trigger or a Limit.
7. You must not place a Conditional Order Instruction for the purposes of manipulating or influencing the price of a security, market rigging, insider trading, disruption of the market, threatening the integrity of the market, misleading or deceptive conduct concerning dealings in the security, or where You do not have proper authority to place a Conditional Order Instruction.
8. The range between the price in the Trigger and the price in the Limit must be acceptable to us, if the conditional order instruction has a Limit.
9. We accept a selling Conditional Order Instruction only for a Participant Sponsored Holding that is sponsored by us. You must nominate the Participant Sponsored Holding to which the Conditional Order Instruction applies. We apply the Conditional Order Instruction only to that holding.
10. A Conditional Order Instruction is not valid until we have told You that we have accepted it.

Maintaining Your Conditional Order Instruction.

11. You must ensure that You have sufficient securities and funds in Your Cash Account to satisfy an order.
12. We apply the Conditional Order Instruction for a holding only to securities which are in that holding. We do not satisfy an order by taking securities from another holding.

13. A Conditional Order Instruction is valid for 12 months unless it is varied or cancelled.
14. A Conditional Order Instruction remains valid in the event of a trading halt, unless the Market Operator purges orders for the security from the market.

Variation or cancellation of a Conditional Order Instruction.

15. Conditional Order Instructions are taken on a 'best endeavours' basis and in the event of system failure, we may cancel Conditional Order Instructions.
16. We may cancel a Conditional Order Instruction if orders for the security are purged from the market by the Market Operator, for example in the event of:
 - (a) the security going ex-dividend;
 - (b) the security being subject to a reconstruction of capital such as a share split or consolidation; or
 - (c) a rights issue.
17. You may vary or cancel a Conditional Order Instruction. When You do, we may accept or reject it and, in doing so, we are entitled to rely on these terms and conditions as if the variation or cancellation is a new Conditional Order Instruction.
18. You must apply to us to reinstate a Conditional Order Instruction after it has been cancelled. When You apply, we will apply our rules and policies for accepting a new or varied Conditional Order Instruction.

Implementing a Conditional Order Instruction.

19. A Conditional Order Instruction is triggered when the Trigger for the Security occurs on ASX.
20. When the Conditional Order Instruction with a Limit is triggered we place an order for the security on the market at a price not below the Limit, in the case of a sale order, and at a price not greater than the Limit in the case of a purchase order. When the Conditional Order Instruction without a Limit is triggered we place a market order for the security.
21. If the order is triggered by events as a result of the closing price auction, the order may be placed on the market the following day, during the pre-open.
22. A Conditional Order Instruction will not be triggered by notional values or indicative prices.
23. We place a Conditional Order Instruction according to the time precedence of the Conditional Order Instruction, but we cannot guarantee the order in which it is placed onto the market.

24. In the event of system failure or malfunction, we may not have placed orders in accordance with the Conditional Order Instruction. Upon resumption from an outage, the system will not act on events that occurred during the system failure or malfunction.
25. The placement of an order on the market does not guarantee that the order will be filled.
26. The order remains on the market in accordance with the terms and conditions of our Share Trading Account.
27. We use our best endeavours to place an order on the market following a Conditional Order Instruction being triggered. However, we reserve the right to review an order that results from a triggered Conditional Order Instruction and to refuse to place that order on the market, for example if we consider that placing the order would not be consistent with a fair and orderly market. Also, it might not be possible for us to place an order on the market, for example:
 - (a) where the basis for quotation for the security has changed and You have not varied your Conditional Order Instruction;
 - (b) where the security has been subject to a trading halt and You have not varied Your Conditional Order Instruction;
 - (c) if we believe that Your instructions are ambiguous, incomplete or unclear;
 - (d) where we believe that the instruction contravenes these terms or conditions or the terms and conditions of our Share Trading Account; or
 - (e) where acting on the order is inconsistent with our legal obligations in respect of the maintenance of an orderly market.

General.

28. We may vary these terms and conditions and the services to which they relate to:
 - (a) add, change or remove any concessions or benefits;
 - (b) adopt or implement any legal requirement, decision, recommendation, regulatory guidance or standard of any court, tribunal, or ombudsman service regulator;
 - (c) accommodate changes in the needs or requirements of our clients, such as new product features or services;
 - (d) correct errors, inconsistencies, inadvertent omissions, inaccuracies or ambiguities;
 - (e) bring us into line with our competitors, industry or market practice or best practice in Australia or overseas; or
 - (f) reflect changes in technology or our processes including our computer systems.

Each of the changes in paragraphs (a) to (f) is a separate right and this clause is to be read as if such change was a separately expressed right.

Without limiting our rights under paragraphs (a) to (f), we may from time to time change any of the terms and conditions for reasons other than the ones mentioned above, for example, due to unforeseen events; or acting reasonably in relation to ongoing compliance with a regulatory requirement or law; or

where it is necessary to protect the Broker's legitimate interests; or it is reasonable in the circumstances to do so.

Any variation shall apply to all dealings between You and us on and from the day on which the variation takes effect. If we vary these terms, conditions and/or services we shall give not less than seven (7) days' notice to You at the postal or electronic address last notified to us by You, or at our website.

Also, we may use our IVR facility to notify You of amendment(s), and provide information about where You can access full details of the amendment(s).

However, we may make a variation without prior notice where such variation is necessary to restore or maintain the security of our systems or any accounts.

29. You accept these terms and conditions, or any variation of them, the first time You place a Conditional Order Instruction after receiving these terms and conditions, or a notice of variation of these terms and conditions.
30. Your obligations to us under this agreement are in addition to Your obligations to us under:
 - (a) our Terms and Conditions of Online Access;
 - (b) our Terms and Conditions of Participant Sponsorship Agreement; and
 - (c) our Terms and Conditions of Share Trading Account.

An order that is placed pursuant to a Conditional Order Instruction is subject to:

- (a) our Terms and Conditions of Online Access;
- (b) our Terms and Conditions of Share Trading Account; and
- (c) our Terms and Conditions of Participant Sponsorship Agreement.

31. You agree to use Conditional Order Instructions only in connection with Your personal investment activities, and not use Conditional Order Instructions in connection with any business activities or to hold or monitor security trading for another person.
32. You indemnify us and release us from any liability for loss or damage (including consequential loss, loss of profit and economic loss) except to the extent resulting from or caused by our negligence, wilful misconduct, fraud or dishonesty:
 - (a) that we incur as a result of Your use of the Conditional Order Instruction in breach of these terms and conditions, or in a manner, or for a purpose, not reasonably contemplated by us;
 - (b) You suffer as a result of delays in executing orders following a triggered Conditional Order Instruction;
 - (c) You suffer as a result of system failure; and
 - (d) You suffer as a result of a triggered Conditional Order Instruction not being executed upon submission to the market.
33. These terms and conditions are subject to the laws of New South Wales.
34. If there is more than one account holder, or there is more than one owner of a holding, You represent to us that all account holders and owners of the holding have read, and understood, and that they accept:

- (a) these Terms and Conditions of Conditional Trading; and
 - (b) any Risk Disclosure Statement for the particular Conditional Order Instruction facility,
- and that each account holder and owner of the holding agrees to act in accordance with these Terms and Conditions of Conditional Trading.

Severance.

35. If any part of any of these Terms and Conditions is found to be void or unenforceable for unfairness or any other reason (for example, if a court or other tribunal or authority declares it so), the remaining parts of these terms and conditions will continue to apply as if the void or unenforceable part had never existed.

Conditional Trading System Risk Disclosure Statement.

This Risk Disclosure Statement does not disclose all the risks associated with the use of a Conditional Order Instruction. It should not be relied upon as a complete explanation of the risks involved with using a Conditional Order Instruction. If you need further explanation of the risks associated with the use of a Conditional Order Instruction, you should seek appropriate professional advice.

While one intention of a Conditional Order Instruction is to limit losses to a certain amount, an instruction may not always be effective because market conditions may make it impossible to execute a particular instruction. Market conditions such as illiquidity may make it difficult or impossible for the Participant to find sufficient counterparty volume to purchase/sell securities between the Conditional Trigger price and the Limit price.

Action by ASX such as the suspension of trading in certain securities may make it difficult or impossible to effect transactions so as to limit losses. A Conditional Order Instruction does not make any provision for temporary falls or rises in security prices. Security prices may return to, exceed or fall short of the trigger price at which the Participant was instructed to buy or sell, within a short period of time.

It may not be possible for the Participant to carry out your instruction if to do so would, in the opinion of the Participant or the regulatory authorities, result in illegal conduct such as market manipulation.

Trailing buy and trailing sell conditional orders by nature are prone to share price movements. When using these products it is important to note that your trail start price may differ significantly from where your trail end condition is met. Further, as the fired order is a market order, in a rapid moving market your order may be executed at a significantly less favourable price than where your Trigger condition is met.

A Conditional Order Instruction uses the last traded price on the market, the volume traded for the trading day, and the time to determine whether the Trigger price condition has been met.

A triggered Instruction does not guarantee that your order will be filled. The market price might fall or rise rapidly through the Trigger price and the Limit price. there may not be a buyer or seller at your limit price.

By using Conditional Order Instructions you acknowledge that:

- the Participant does not provide any guarantee as to the effectiveness of a Conditional Order Instruction in limiting your losses or ensuring gains;
- you accept without limitation all risks associated with the use of a Conditional Order Instruction;
- you have read and understood the terms and conditions of the Participant Conditional Order Instruction product; and
- the Participant recommends you seek appropriate professional advice before using a Conditional Order Instruction.

This document has been prepared without taking account of the objectives, financial situation or needs of any particular individual. For this reason, any individual should, before acting on the information in this disclosure statement, consider the appropriateness of the information, having regard to the individual's objectives, financial situation and needs and, if necessary, seek professional advice.

Terms and Conditions of Participant Sponsorship Agreement.

Explanation of effect of Participant Sponsorship Agreement.

The Terms and Conditions of Participant Sponsorship Agreement below constitute a contract that You enter into with us, under which You name us as Your CHESSE sponsor and authorise us to create a CHESSE Participant Sponsored Holding in Your name and to trade on it as You instruct. This means that we control or 'sponsor' Your holdings of financial products on CHESSE.

Clearing House Electronic Subregister System (CHESSE) is the computer system used by ASX Settlement to record shareholdings and manage the settlement of share transactions.

Being CHESSE sponsored by us means You can buy and sell shares more quickly than if Your shares were 'issuer sponsored', and You can buy shares without providing a deposit if You have sufficient holdings.

You can also discuss the Terms and Conditions of Participant Sponsorship Agreement with us. To do so, please contact us on the details provided on the Trading Site.

- 4.1 Subject to Clauses 3.3 and 3.4 and Rules 7.2.2(e) and 7.2.2(f), the Participant will initiate any transfer, conversion or other action necessary to give effect to Withdrawal Instructions within two (2) Business Days of the date of the receipt of the Withdrawal Instructions.
- 4.2 Subject to Rule 7.4, the Sponsoring Participant will not initiate any Transfer or Conversion into or out of the Participant Sponsored Holding without the express authority of the Participant Sponsored Holder; and which provide for, and give effect to, the novation of the Sponsorship Agreement upon a change of Controlling Participant in accordance with Rule 7.1.10.

For the purpose of Rule 7.2.2(a), where the CHESSE Holding is a new CHESSE Holding, the Sponsoring Participant must insert the HIN in the Sponsorship Agreement once the HIN has been allocated to the Participant Sponsored Holder in accordance with Rule 8.7.2.

- 4.3 The Participant is an Australian Financial Services Licensee and therefore regulated by ASIC and subject to the regulations imposed by ASIC. In addition, as a participant of the ASX Group and Cboe Australia, the Participant is bound by the Market Operating Rules, ASX Settlement Operating Rules, ASX Clear Operating Rules and associated procedures. The Participant Sponsored Holder can obtain further information as to the status of the Participant from either ASIC, Cboe, ASX, ASX Settlement or ASX Clear.
- 4.4 The Participant Sponsored Holder may lodge a complaint against the Participant with either the ASX, ASX Settlement, ASX Clear or Australian Financial Complaints Authority as a result of any contravention of this agreement. Any claim for compensation can be lodged with the National Guarantee Fund which operates as a compensation arrangement for investors who may suffer loss in the circumstances specified under Part 7.5, Division 4 of the Corporations Regulations in relation to equities and warrants and exchange traded options.
- 4.5 The Participant Sponsored Holder is entitled to receive an executed copy of this Agreement from the Participant but acknowledges that the Participant shall not be required to provide such copy unless requested by the Participant Sponsored Holder.

5.0 Supply of Information.

- 5.1 The Participant Sponsored Holder shall supply all information and supporting documentation that is reasonably required to permit the Participant to comply with the registration requirements, as are in force from time to time, under the Rules.

6.0 Exchange Traded Options, Pledging and Sub-positions.

- 6.1 Where the Participant Sponsored Holder arranges with ASX Clear to lodge Financial Products in a Participant Sponsored Holding as Derivatives Cover, and informs the Participant of the arrangement, the Participant Sponsored Holder:
- (a) authorises the Participant to reserve the Financial Products in the ASX Clear Subposition so that the Financial Products come under the control of ASX Clear and are subject to the security interest granted in favour of ASX Clear to secure the performance by the relevant Clearing Participant of its obligations to ASX Clear under and in accordance with ASX Clear Operating Rule 14.6.7;
 - (b) authorises any subsequent dealing (including, without limitation, any transfer) of the reserved Financial Products in accordance with the Rules and ASX Clear Operating Rules;
 - (c) acknowledges that the Financial Products will remain subject to that security interest for so long as those Financial Products remain reserved in the ASX Clear Subposition in accordance with ASX Clear Operating Rule 14.6.7; and
 - (d) authorises the Participant to take whatever other action is reasonably required by ASX Clear in accordance with the Rules to give effect to that arrangement.

- 6.2 Where the Participant Sponsored Holder arranges with any person to give a charge or any other interest in the financial products in a Participant Sponsored Holding, the Participant Sponsored Holder authorises the Participant to take whatever action is reasonably required by the person in accordance with the Rules to give effect to that arrangement.

- 6.3 The Participant Sponsored Holder acknowledges that where, in accordance with this Agreement and/or the Participant Sponsored Holder's instructions, the Participant initiates any action which has the effect of creating a sub-position over financial products in the Participant Sponsored Holding, the right of the Participant Sponsored Holder to transfer, convert or otherwise deal with those financial products is restricted in accordance with the terms of the Rules relating to Sub-positions.
- 6.4 Nothing in this Agreement operates to override any interest of ASX Clear in the financial products.

7.0 Fees.

- 7.1 The Participant Sponsored Holder shall pay all Brokerage fees and associated transactional costs within the period prescribed by the Participant. The applicable fees and charges can be located in the Participant's Financial Services Guide.

8.0 Notifications and Acknowledgements.

- 8.1 The Participant Sponsored Holder acknowledges that if the Participant is not a Market Participant of an Approved Market Operator, neither the Approved Market Operator nor any Related Party of the Approved Market Operator has any responsibility for regulating the relationship between the Participant Sponsored Holder and the Participant, other than in relation to the Rules relating to Sponsorship Agreements.
- 8.2 The Participant Sponsored Holder acknowledges that if a transfer is taken to be effected by the Participant under Section 9 of the Rules and the Source Holding for the transfer is a Participant Sponsored Holding under the Sponsorship Agreement, then:
- (a) the Participant Sponsored Holder may not assert or claim against ASX Settlement or the relevant Issuer that the transfer was not affected by the Sponsoring Participant or that the Sponsoring Participant was not authorised by the Participant Sponsored Holder to effect the transfer; and
 - (b) unless the Transfer is also taken to have been effected by a Market Participant of an Approved Market Operator or a Clearing Participant of ASX Clear, the Participant Sponsored Holder has no claim arising out of the Transfer against the compensation arrangement applicable to the Approved Market Operator or the Clearing Participant of ASX Clear under the Corporations Act and Corporations Regulations.
- 8.3 In the event that the Participant breaches any of the provisions of this Agreement, the Participant Sponsored Holder may refer that breach to any regulatory authority, including ASX Settlement.

- 8.4 In the event that the Participant is suspended from the Settlement Facility, subject to the assertion of an interest in financial products controlled by the Participant where the assertion is made, by either a liquidator, receiver, administrator or trustee of that Participant:
- (a) the Participant Sponsored Holder has the right, within twenty (20) Business Days of ASX Settlement giving notice of suspension, to give notice to ASX Settlement requesting that any Participant Sponsored Holdings be removed either:
 - (i) from the CHESSE Subregister; or
 - (ii) from the control of the suspended Participant to the control of another Participant with whom they have entered into a valid Sponsorship Agreement pursuant to Rule 12.19.10; or
 - (b) where the Participant Sponsored Holder does not give notice under clause 8.4(a), ASX Settlement may effect a change of Controlling Participant under Rule 12.19.11 and the Participant Sponsored Holder will be deemed to have entered into a new Sponsorship Agreement with the substitute Participant on the same terms as the existing Sponsorship Agreement. Where a Participant Sponsored Holder is deemed to have entered into a Sponsorship Agreement in accordance with Rule 7.2.3(b)(ii), the new Participant must enter into a Sponsorship Agreement with the Participant Sponsored Holder within ten (10) Business Days of the change of Controlling Participant.

8.5 The Participant Sponsored Holder acknowledges that before the Participant Sponsored Holder executed the Agreement, the Participant provided the Participant Sponsored Holder with an explanation of the effect of the Sponsorship Agreement to the Participant Sponsored Holder and the Participant Sponsored Holder understands the effect of the Agreement.

8.6 The Participant Sponsored Holder acknowledges that in the event of the death or bankruptcy of the Participant Sponsored Holder, a Holder Record Lock will be applied to all Participant Sponsored Holdings in accordance with Rules 8.15.8 to 8.15.11, unless the Participant Sponsored Holder's legally appointed representative or trustee elects to remove the Participant Sponsored Holdings from the CHESSE Sub-register.

8.7 The Participant Sponsored Holder acknowledges that in the event of the death of the Participant Sponsored Holder, this Sponsorship Agreement is deemed to remain in operation, in respect of the legally appointed representative authorised to administer the Participant Sponsored Holder's estate, for a period of up to three calendar months subsequent to the removal of the Holder Record Lock pursuant to clause 8.16.3, unless the Participant Sponsored Holder's legally appointed representative elects to remove the Participant Sponsored Holdings from the CHESSE Subregister.

8.8 (Joint Holdings Only).

The Participant Sponsored Holder acknowledges that in the event of the death of a joint Participant Sponsored Holder, all Holdings under the joint Holder Record must be transferred into new Holdings under a new Holder Record in the name of the surviving

Participant Sponsored Holder, and the Sponsorship Agreement remains valid for the new Holdings under the new Holder Record.

8.9 (Joint Holdings Only).

The Participant Sponsored Holder acknowledges where the Sponsorship Agreement is in respect of a joint Participant Sponsored Holding, in the event of the Bankruptcy of one of the Holders, the Controlling Participant will:

- (a) unless the legally appointed representative of the bankrupt Participant Sponsored Holder elects to remove the Holdings from the CHESSE Subregister, establish a new Holder Record in the name of the bankrupt Participant Sponsored Holder, transfer the interest of the bankrupt Participant Sponsored Holder into new Holdings under the new Holder Record and request that ASX Settlement apply a Holder Record Lock to all Holdings under that Holder Record; and
- (b) establish a new Holder Record in the name(s) of the remaining Participant Sponsored Holder(s) and transfer the interest of the remaining Participant Sponsored Holder(s) into new Holdings under the new Holder Record.

9.0 Change Of Controlling Participant.

9.1 If the Participant Sponsored Holder receives a Participant Change Notice from the Controlling Participant of the Participant Sponsored Holding and the Participant Change Notice was received at least twenty (20) Business Days prior to the date proposed in the Participant Change Notice for the change of Controlling Participant, the Participant Sponsored Holder is under no obligation to agree to the change of Controlling Participant, and may choose to do any of the things set out in clauses 9.2 or 9.3.

9.2 The Participant Sponsored Holder may choose to terminate the Agreement by giving Withdrawal Instructions under the Rules to the Controlling Participant, indicating whether the Participant Sponsored Holder wishes to:

- (a) transfer its Participant Sponsored Holding to another Controlling Participant; or
- (b) transfer its Participant Sponsored Holding to one or more Issuer Sponsored Holdings.

9.3 If the Participant Sponsored Holder does not take any action to terminate the agreement in accordance with clause 9.2 above, and does not give any other instructions to the Controlling Participant which would indicate that the Participant Sponsored Holder does not agree to the change of Controlling Participant then, on the Effective Date, the Agreement will have been taken to be novated to the New Controlling Participant and will be binding on all parties as if, on the Effective Date:

- (a) the New Controlling Participant is a party to the Agreement in substitution for the Existing Controlling Participant;
- (b) any rights of the Existing Controlling Participant are transferred to the New Controlling Participant; and
- (c) the Existing Controlling Participant is released by the Participant Sponsored Holder from any obligations arising on or after the Effective Date.

- 9.4 The novation in clause 9.3 will not take effect until the Participant Sponsored Holder has received a notice from the New Controlling Participant confirming that the New Controlling Participant consents to acting as the Controlling Participant for the Participant Sponsored Holder. The Effective Date may as a result be later than the date set out in the Participant Change Notice.
- 9.5 The Participant Sponsored Holder will be taken to have consented to the events referred to in clause 9.4 by the doing of any act which is consistent with the novation of the Agreement to the New Controlling Participant (for example, by giving an instruction to the New Controlling Participant), on or after the Effective Date, and such consent will be taken to be given as of the Effective Date.
- 9.6 The Agreement continues for the benefit of the Existing Controlling Participant in respect of any rights and obligations accruing before the Effective Date and, to the extent that any law or provision of any agreement makes the novation in clause 9.3 not binding or effective on the Effective Date, then the Agreement will continue for the benefit of the Existing Controlling Participant until such time as the novation is effective, and the Existing Controlling Participant will hold the benefit of the Agreement on trust for the New Controlling Participant.
- 9.7 Nothing in this clause 9.0 will prevent the completion of CHES transactions by the Existing Controlling Participant where the obligation to complete those transactions arises before the Effective Date and the Agreement will continue to apply to the completion of those transactions, notwithstanding the novation of the Agreement to the New Controlling Participant under this clause 9.0.
- 9.8 You may by notice request that we novate this Agreement, including any conditions for other services which we provide to You (this Agreement) to a new Controlling Participant ('New Controlling Participant') and this Agreement will be taken to have been novated to the New Controlling Participant and will be binding on all parties as if, on the date specified in the notice:
- the New Controlling Participant is a party to this Agreement in substitution for us;
 - any of our rights are transferred to the New Controlling Participant; and
 - You release us from any obligations arising on or after the date specified in the notice.
- 9.9 We will act in relation to any lawful direction given by You to us to transfer to the New Controlling Participant (or such other place You direct) any money or property we hold on Your behalf.
- 9.10 In the event that any of the Holdings comprise AQUA Products, the New Controlling Participant is accredited in accordance with Section 18 of the Rules to facilitate the settlement of AQUA Products. Note: Under Rule 7.4, ASX Settlement will not accept a Notice of change of Controlling Participant where the New Controlling Participant is not accredited to facilitate the transfer of AQUA Products.

10.0 Claims For Compensation.

- 10.1 As a Participant of the ASX Group any claim for compensation can be lodged with the National Guarantee Fund which operates as a compensation arrangement for investors who may suffer loss due to the defalcation by Participants in relation to equities and warrants and exchange traded options.
- 10.2 If the Participant breaches a provision of this Agreement and the Participant Sponsored Holder makes a claim for compensation pursuant to that breach, the ability of the Participant to satisfy that claim will depend on the financial circumstances of the Participant.
- 10.3 If a breach by a Participant of a provision of this Agreement falls within the circumstances specified in the compensation arrangements applicable to the Approved Market Operator or the Clearing Participant of ASX Clear under the Corporations Act and Corporations Regulations, a Participant Sponsored Holder may make a claim under the relevant compensation arrangements.

11.0 Termination.

- 11.1 Subject to the Rules, this Agreement will be terminated upon the occurrence of any of the following events:
- by notice in writing from either the Participant Sponsored Holder or the Participant to the other party to this Agreement;
 - upon the Participant becoming insolvent;
 - upon the termination or suspension of the Participant; or
 - upon the giving of Withdrawal Instructions by a Participant Sponsored Holder to a Controlling Participant in accordance with Rule 7.1.10(c).
- 11.2 Termination under Clause 11.1(a) will be effective upon receipt of notice by the other party to the Agreement.

12.0 Variation.

- 12.1 Should any of the provisions in this Agreement be inconsistent with the provisions in the Rules, the Participant shall, by giving the Participant Sponsored Holder not less than seven (7) days' written Notice, vary the Agreement to the extent to which, in the Participant's reasonable opinion, it is necessary to remove any inconsistency.
